AWARDS

STUDENT OF THE YEAR | ANTON CETTA
Jan 2020 – Jan 2021 | Skenderaj, KS

QUALIFIED TRAINER | AKEA
Jan 2023 | Prishtine, KS

EXPERIENCE

FREELANCER |
Jan 2023 - present | Remote
- Technologies: C-Sharp (ASP.NET), JavaScript (React and Angular),WordPress, Photoshop ,Figma
- Developed custom web applications and e-commerce solutions using ASP.NET and Angular, enhancing functionality and user experience.
- Designed and implemented responsive websites and web interfaces in WordPress, leveraging modern design tools like Photoshop and Figma.
- Provided end-to-end project management, including requirements gathering, development, testing, and deployment.
- Collaborated with clients to understand their needs and deliver tailored solutions that drive business growth.

CODE-INVENTION SOFTWARE NGINEER
Feb 2024 – Aug 2024 | Prishtinë, KS
- Designed and developed scalable web applications using Angular and ReactJs for the front-end and ASP.NET Web API for the back-end.
- Wrote and reviewed high-quality, maintainable code, adhering to best practices and industry standards.
- Collaborated with cross-functional teams to define project requirements, implement features, and resolve issues efficiently.
- Contributed to optimizing application performance and enhancing user experience through innovative solutions.

IDFIER REACT NATIVE DEVELOPER (PROJECT BASED)
Oct 2024 – Present | Remote, Sweded
- Developed and maintained cross-platform mobile applications using React Native and TypeScript, ensuring smooth performance on both Android and iOS devices.
- Integrated RESTful APIs and implemented dynamic UI components to enhance the user experience.
- Collaborated closely with designers and backend engineers to implement features based on Figma mockups and business requirements.
- Optimized application performance, handled complex navigation flows, and ensured responsiveness across various screen sizes.
- Utilized modern state management techniques and maintained clean, reusable code aligned with React Native best practices.
